

CNLP Program Information

Certified Nursery & Landscape Professional (CNLP) Program

As a Certified Nursery & Landscape Professional (CNLP) in New York State, you'll become one of a distinguished corps of green industry professionals who demonstrate dedication to ongoing professional education.

Sponsored by The Professional Landscape and Nursery Trades across New York State (PLANT NYS), CNLP designation elevates the professional standards of the nursery, landscape and garden center industries by recognizing individuals who demonstrate a high level of competence in the principles and practices of this industry.

REQUIREMENTS

To qualify for this program:

You must have earned an associate or bachelor's degree in a horticulture-related field from an accredited post-secondary educational institution.

OR ...

You must have completed a minimum of three years of work experience in the horticulture industry.

AND ...

You are required to have an active CNLP as a sponsor. If you don't know a CNLP, please contact the PLANT NYS office and we will help pair you with one.

THEN ...

STEP 1: APPLY AND PAY FEE

Please fill out your CNLP application completely. Include your home address so we can contact you. Application fees cover the cost of the exam and access to the online manual.

PLANT NYS Member	\$175
Non-Member	\$350

Please note that hard copies of the CNLP Manual are available for an additional fee.

Application fees are non-refundable regardless of whether you take the exam.

STEP 2: PREPARE

Once you've submitted your application and payment, you will receive access to the CNLP training manual online. The manual is updated periodically; therefore, we advise that you take the exam within one year of receiving your manual.

Review classes are offered throughout the state. These classes are optional and may require an additional charge. You must register for these classes with the PLANT NYS Regional Chair offering them.

STEP 3: TAKE THE EXAM

You have two years from the time of your application to take the CNLP exam. The exam is divided into two sections: a written test and a plant identification exercise.

If you have physical impairment that you believe may cause you difficulty in taking the exam, please let us know and we can make appropriate accommodation.

For information on exam dates in your region, visit our website www.plantnys.org
